WHAT IS VOCATIONAL EDUCATION AND TRAINING (VET)?
VET refers to national vocational qualifications that are endorsed by industry. VET qualifications provide students with the opportunity to develop specific industry related skills. Students with VET qualifications are well prepared to take on apprenticeships (including School based Apprenticeships), further education and training, and skilled jobs.

WHAT ARE REGIONAL VET PROGRAMS?
Regional VET programs provide students in years 10, 11 and 12 in Southern Adelaide and Flinders region with increased vocational pathways through a broad range of VET program choices. Regional VET programs are delivered by schools and Registered Training Organisations (RTOs). Students remain enrolled at their Home School, and extend the VET School or RTO for their chosen VET program.

WHAT ARE THE BENEFITS OF CHOOSING A VET COURSE?
• Getting a nationally recognised qualification while completing your SACE
• Getting a ‘head start’ in your chosen career
• Making your senior school study more relevant and interesting
• Demonstrated capacity for workplace learning
• Identifying relevant interests and/or experience or VET training. If a VET course you are applying for indicates that it is TGSS, it is subsidised training with a Training Provider for selected SACE students who are 16 years or older. Students must apply online through their home school. Students who apply after the funding is known. Students must supply own safety boots.

HOW WILL I TRAVEL TO MY VET COURSE?
If students have chosen to participate in a course at another SAFASSA school, parents/guardians are required to arrange the travel for their student to their training and placements. Students who drive themselves, take student passengers or in a passenger with another student, must have signed consent form. For further details from prior to courses commencing.

WILL I NEED TO DO WORKPLACE LEARNING AS PART OF MY VET COURSE?
Some VET Program requires students to participate in workplace learning as part of their training in a real or simulated work environment. These placements provide valuable work experience and contribute to skills development and employability.

WILL A VET COURSE AFFECT MY OTHER SUBJECTS?
This brochure will help you to understand the benefits of taking VET courses. The ‘SACE Credits’ column in the table in this brochure shows the SACE information relevant to specific courses. Information on SACE credits and SACE cohort. Please refer to this information in this brochure and also the SAFASSA website www.safssa.sa.edu.au. Please also check with your VET Coordinator for more information.

HOW WILL I DO A VET PROGRAM CONTRIBUTE TO SACE?
The ‘SACE Credits’ column in the table in this brochure shows the SACE information relevant to specific courses. Information on SACE credits and SACE cohort. Please refer to this information in this brochure and also the SAFASSA website www.safssa.sa.edu.au. Please also check with your VET Coordinator for more information.

HOW TO APPLY FOR A REGIONAL VET PROGRAM
1. Read the information in this brochure.
2. Download the detailed course information for the entry you are interested in and encourage your parents/guardians to complete the Application Form. Each course has a separate application form for entry into each course of our website www.safssa.sa.edu.au
3. Fill out the Student Application Form for the course you are interested in. You must submit this application form to your Home School by the close date indicated on the invoice or an instalment plan must be arranged.
