HIGH SCHOOL**

SCHOOL UNIFORM POLICY

The Christies Beach High School (CBHS) uniform policy has been developed and approved by the school community through the Governing Council. All students attending CBHS are required to wear school uniform as described in this policy. Consequences apply in relation to persistent and wilful breaches of the policy.

PURPOSE

The CBHS Uniform Policy aims to:

- support students to develop a sense of identity and pride with our school
- assist in the provision of a safe school environment
- reduce costs and competition associated with alternative clothing
- assist with safety and care of students through easy identification both within school grounds and whilst participating in excursions, field trips, camps, sporting events and other events where the school is represented
- provide cost effective, durable clothing.

ADDITIONAL INFORMATION

- Jeans, leggings or other 'fashion pants' are not acceptable for school wear.
- On casual dress days students must wear appropriate clothing and shoes that do not contravene the workplace health and safety requirements of the school.
- Students may wear a plain navy or white long sleeve crew neck or v-neck top under their CBHS polo shirt. Other colours, or tops with logos are not acceptable for school wear.
- Students must change into suitable clothing and footwear for physical education lessons and wear school uniform at all other times.
- Jewellery and make-up should be discreet.

Note: please refer to the CBHS Uniform Brochure on the [school website](#) for further information.
