CBHS APP

The CBHS School App is our main method of communication to students and families.

It is a great resource of up-to-date information.

We post notices relating to:

- student free days
- early school closures
- Learning Conversations
- information sessions
- events.

It is an easy way for parents/caregivers to contact us regarding student absences.

 Bullying can be reported via the hands/heart symbol at the bottom of the home page. Forms are emailed to school leadership to action.

The calendar contains all scheduled school events such as camps, excursions and includes links to relevant information.

Download the CBHS App to your device from the App Store or Google Play.
